Fine Wood Furniture Since 1945

*Dear Customer,*

*Thank you for your request for information about our commercial quality contract furniture. We manufacture an extensive line that has proven attractive and comfortable in many restaurants and bars around the world that we think you should consider. We have furnished many chains and individual restaurants in a variety of styles and themes and would appreciate the opportunity to work with you on your new project.*

*Although this catalog will give you a taste of what we can do, there is no way we can send you pictures of our more than 10,000 items. We carry a minimum of 25,000 chairs in stock at all times, and work in oak and other hardwoods, steels, aluminum, rattan, laminates, vinyl and fabrics.*

*If necessary, we can also custom-make any chair, booth, stool, table, bar or counter to your specifications.*

*If you need faster information, feel free to contact us with the items and quantities you are interested in and we shall respond promptly with a quotation. As manufacturers, we can give you the best pricing around on all our products.*

*Our prompt, reliable service has impressed thousands of customers and kept them loyal for over 65 years. It would be our pleasure to participate in your project with you. We look forward to hearing more about it and await your reply.*

*Thank you and best regards.*

*Sincerely,
